Amazon Associates Program As of 2012, IPC is participating in the Amazon Associates program. We will provide links to products at Amazon.com (like Bibles and books for Christian Education classes), and the church will receive a portion of any sales of these items from Amazon.com. In addition, any other purchases made while remaining on the Amazon site (including purchases of items already placed in your shopping cart) will result in a percentage of those purchases being paid to the church. So please use the links on the IPC website to make your Amazon purchases so the church will benefit. You may also choose to search for any particular book or product at Amazon.com using the search box on the church homepage or the upper right corner of this webpage. As long as you remain on the Amazon site, any purchase you make will be credited to the church.

Currently, all receipts from the Amazon Associates program will be used to support IPC Christian Education programs. Three Amazon links for bibles are below: Harper Collins Study Bible - NRSV (hard cover) This is the Bible that IPC gives to high school students at graduation. The Message by Eugene Peterson (larger print/hardcover) The Message by Eugene Peterson (hardcover) This is a particularly readable edition in hardcover of both the Old & New Testaments in either large print or regular print. You can move on from these pages to search for and purchase other products from Amazon. As long as you stay in the site, the church will benefit from the purchases.

### Kroger Community Rewards Program

IPC has participated in the Kroger Community Rewards Program since 2009. If you have and use a Kroger Plus Shopper's Card to purchase groceries or pharmacy products at Kroger AND also enroll annually with the Kroger Community Rewards Program (see instructions below), Kroger will donate 1% of all of your purchases to support the IPC Chancel Choir. This program generates over \$800 each year to purchase music and pay guest musicians. [Enrollment in the Community Rewards Program does not have an effect of gasoline rewards you may earn in the Kroger Plus loyalty program.]

Instructions to enroll or re-enroll in the Kroger Program: Every April, Kroger requires all participants in its rewards programs to re-enroll. To re-enroll, please do the following (if you have not registered your Kroger Plus Shopper's Card on-line, please do this at [www.kroger.com](http://www.kroger.com) before proceeding): (1) Go to the Kroger Rewards web page at [www.kroger.com/communityrewards](http://www.kroger.com/communityrewards) (2) "Sign in" with your e-mail address and password if you have an existing account. Otherwise you should "Create and Account" using info on your Kroger Plus Card. (3) You should find yourself at a page with "Kroger Community Rewards" at the top. Click the box with "View Your Rewards Details" [or if that's not there, click the "Enroll" box]. (4) If you are now in your personal "Account summary," go to the bottom of the screen and click "Edit". If you are enrolling for the first time, you will be at #5 below. (5) Under "Find Your Organization" there will be a Search Box where you can type in "Indianola" and then click "Search" (6) Click the "button" to the left of "Indianola Presbyterian Church Chancel Choir" and then click "Enroll" at the bottom of the screen. (7) "Sign Out" at the upper right on the "Account Summary" page. If you have not previously been part of the rewards program, you may enroll by clicking on the word "enroll" (step 3) and following the instructions. Thanks for your support. All of your Kroger purchases (except for gasoline) will now benefit the IPC Chancel Choir.
